North Country CME Evaluation Agency Application

- Have the appropriate equipment available to provide hands on scenario-based CME sessions
- Agree that each session will be conducted via hands on scenario requiring providers to utilize critical thinking and they must perform the skill as they would in the field.
- Approved by the REMAC
- Agree to maintain sign in/out sheets for each CME session at agency.
- Agree to schedule CME sessions open to all regional providers by January 1st for the first semester and by July 1st for the second semester.
- Agree to ensure that each session is conducted by a provider that is in good standing with the region, prefer that they hold an instructor certification to teach nationally recognized courses such as NAEMT courses, AHA courses, National Safety Council courses, etc. or be a NYS CIC/CLI.
