Re: Fort Ann Rescue Squad Certificate of Expansion

To Whom It May Concern:

Members of the Fort Ann Rescue Squad appeared before the Washington County Public Safety Committee and expressed the desire for an expansion of their certificate of need to allow for additional transportation services. The presentation was persuasive that this would not have any adverse impact on the residents within their area of operation and would increase their effectiveness as a responder within their area of operation.

The Public Safety Committee recommended that the Chairman be authorized to sign a letter of support for this expansion and on December 19, 2025 the Washington County Board of Supervisors passed Resolution No. 315 authorizing the Chairman to do so.

Please be therefore advised that the Washington County Board of Supervisors wishes to go on record as being in support of the granting of an expansion of service need certificate to the Fort Ann Rescue Squad.

Sincerely,

Robert A. Henke, Chairman
Washington County Board of Supervisors
