## Mountain Lakes ALS Provider Credentialing Policy

Complete the Mountain Lakes Credentialing Application along with the following required attachments:

- 1) Mountain Lakes Credentialing Application
- 2) Mountain Lakes Medical Director Online Authorization Form
- 3) Letter/Email of Support from Primary Agency
- 4) BLS/Healthcare Provider CPR Certification
  - a. For CCT & Paramedic also:
    - i. ACLS Certification
    - ii. PALS (or Pediatric Equivalent) Certification

Optional:

If you would like an ID Badge, submit a professional style (white background, no hats) headshot photo.

**Submit completed forms and attachments to: [Paperwork@FDRHPO.org](mailto:Paperwork@FDRHPO.org) or fax to (315)755-2022**

Applications will be reviewed and the applicant notified of any missing or incomplete items. Upon approval, the applicant and their primary agency will be notified by email. For new providers, a Regional ALS Key, and if a photo was provided an ID Badge, will be mailed to the provider.

The primary agency medical director has the right to require an internship prior to placing a provider online. Submission requirements for an internship are the same as above, except the MD Online Authorization Form is not required. Internship status must be indicated in the agency support letter/email. Applicants will only be issued a Regional ALS Key after successful completion of the internship. Upon completion of the internship the MD Online Authorization Form and letter/email of support from the agency should be submitted for approval for full online status.
